

Your success matters.

Placement for Success requires students to have appropriate placement scores (SAT, ACT, COMPASS, or PSAT) prior to registering for specific courses.

The Placement Tables indicate which English (writing), reading, and math courses students will be placed into based on their achieved scores. English "E", reading "R", and math "M" prerequisites are found in the course description section of the catalog. For certain courses, students must obtain minimum scores on those assessment sections or successfully complete the required prerequisite courses at Bay College prior to registration for those classes.

TS = Transitional Studies Courses

Transitional Studies course credits do not apply toward any certificate or degree and will not transfer.
